

Please see below the current policy from Crown Casino Melbourne

Please be advised that **Crown's first priority is the safety and well-being of its employees, customers and the community.**

Crown continues to be guided by expert advisory organizations, including the World Health Organisation (WHO) and the Department of Health (DoH).

Please note:

- **Crown will be** guided by these expert advisory organisations, and will be **providing ongoing advice to employees and guests**, as appropriate.
- **Actions taken to date are in line with this advice.** Should there be any further developments Crown will make the appropriate arrangements.
- **Crown has implemented** a number of procedures including **the provision of alcohol based hand sanitisers to all customers and employees.** These can be accessed **at all entrances, and in high traffic areas** around the Crown complex.
